

A quarterly publication to inform current and prospective friends of the InterFaith Health Clinic. Providing affordable medical, dental and mental health care to the working uninsured and other under-served people.

## 'Doc Rock' Benefits InterFaith

On January 5, 2007, a group of area doctors put down their stethoscopes and picked up their guitars to participate in a battle of the bands competition to raise money for local charities.

Known as Doc Rock for Health, the competition included four local bands made up of physicians from area hospitals. InterFaith's representative was Remedy, a band featuring physicians from Parkwest Medical Center. Remedy won the competition by drawing the largest crowd, resulting in \$3,000 in cover charge proceeds being donated to InterFaith. Remedy's contribution will provide for 75 patient visits at the clinic.

Remedy's competitors included Second Opinion from Methodist Medical Center, Risky Business from St. Mary's, and the Vibraslaps from Ft. Sanders Regional Medical Center. Each band played a 45-minute set of classic and original songs, with the winner being judged by crowd support. InterFaith's representative band, Remedy, dominated the event for the second year in a row.

Doc Rock for Health was conceived in 2006 by Jacque Prince, wife of Dr. Marty Prince of the band Remedy. "Our goal was to showcase some of the nonprofit organizations based here in the Greater Knoxville area while also showing off the musical talent of some of the area's medical community," Prince said.

Remedy was also the featured band at M\*A\*S\*H Bash, InterFaith's signature fundraiser, which was held on May 19th, 2007. Details on this year's fundraiser will appear in the next edition of the IHC update, coming out in November 2007.

**A Message from our Executive Director**

Would you like to hear some good news for a change? Are you tired of feeling that the need continues to grow and there is never enough of you to meet that need? Let me tell you some good news.

Yes, I know the need continues to grow. But, thanks to you InterFaith was able to provide over 24,000 patient encounters – more than ever before. But this did not happen accidentally. You made it happen. Through community gifts including Untied Way, we were able to increase our hours from 8:00 am until 9:00 pm, Monday through Friday. More volunteers answered the call to meet the need. The growth in volunteer hours in a given 12-month period was one of the highest in our history. This includes volunteers from all walks of life, not just health care professionals. Local congregations and businesses are spreading the word to parishioners and employees that need our services. You have been wonderful ambassadors

both to potential patients who need our services and to individuals who can give of their resources. Other health care organizations and social service agencies continue to work with InterFaith to meet the need.

I know that sometimes life and the struggles that come with everyday life can be overwhelming. Certainly, I don't intend to downplay the tragedies we face every day. But, I am touched by your response to a basic need. I am honored to show up every day and in a little way participate in what you – our community – has accomplished. None of us as individuals could have accomplished what we as a whole have participated in. Some of you are very humble and have expressed to me "my small part couldn't have made much of a difference." I personally believe the "widow's mite" is always honored. Each and every gift has come together to make a huge impact. So, whether your gift to us was time, money or prayers – thank you.

*Melissa Knight*  
Executive Director

**How Can I Help InterFaith?**

One of the most important things you can do to support InterFaith is to provide financial support.

The average cost of one patient visit to the clinic is \$55. Patients pay an average of \$15, making the cost to the clinic \$40. Every \$40 you donate

will provide our health care services to someone in need.

Gifts-in-kind are also welcome. Please remember that the clinic cannot accept donations of expired medications. You may also choose to give to InterFaith by including the clinic in your will.

## Gifts-in-Kind Lower Costs

*The following gifts were received between November 10, 2006 and February 14, 2007*

William Hayes, D.D.S. East Tennessee Women's Specialists Moretz Moving Christopher O'Rourke Lakemoor Family Physi- cians James Monday Dr. Edward H.
