The InterFaith Health Clinic is proud to be a United Way of Greater Knoxville member agency. Find out more at www.unitedwayknox.org This facility receives funding from the State of Tennessee.

Community Partner

Mission Statement: To provide accessible, affordable, and quality health care to the low income working uninsured and underserved, primarily through the support of the religious, health care, and business communities.

Insure Tennessee

As you probably heard on the news, Governor Haslam's plan, Insure Tennessee, did not pass, which means over 400,000 Tennesseans still can't afford insurance. Clinics like InterFaith are critical because they are the medical home to those who aren't able to afford health insurance. Our patients are working members of the community who fall in the gap and that is why we are here - to provide them with comprehensive medical and dental care, along with mental health services and a dispensary. Our 8,500 patients depend on us to stay well and working.

We are introducing an annual campaign this spring to help offset the cost of medical supplies. This budget item allows us to provide the basic medical supplies necessary for a primary care visit. The hard cost is about \$30,000 annually and we need the help of the community to cover this budget item. If you can support us, please consider sending a donation to 315 Gill Avenue, Knoxville, TN 37917 attn: Annual Campaign.

Finally, we have space for new patients, so if you know of someone who is working with no insurance, please have them contact us and we can provide them with comprehensive medical care. We appreciate your support; without it we could not continue to care for those in need.

Thank you,

Melissa Knight
Executive Director

InterFaith's Impact

InterFaith has a 63-year-old female patient with a history of high blood pressure, diabetes, glaucoma, and arthritis, which affects many joints. She is retired from her job, but would likely not be able to work because of her chronic pain from arthritis. She lives alone, she has no family, and she has few friends. She has difficulty financially due to limited income from social security. She tries to limit additional medical expenses and has decided to forgo screening tests such as pap smear, mammogram and colonoscopy, hoping she will be okay until she is eligible for Medicare at age 65. InterFaith has provided the following services to this patient that she would not otherwise have: an ophthalmology referral for the treatment of glaucoma, orthopedic referral for treatment of arthritis and pain, discounted lab services to monitor her medical conditions, special-ordered glaucoma medicine that would cost more than \$100 per month out of pocket. While she wishes to remain unnamed, this patient is extremely appreciative of the care she has received at InterFaith. She believes she would not have been able to make it without the assistance provided. Now, thanks to this help, her medical problems are relatively stable.

Sweets for the Sweet

This year's 6th annual Sweets for the Sweet was a success thanks to you! We asked donors to give \$50 to sponsor a primary care patient visit and in turn, InterFaith delivered a gourmet cupcake to a recipient of their choice. Cupcakes were delivered to medical practices, dental practices, hospitals and churches on Thursday, February 12th. Then, on Friday the 13th, all other residences and businesses were delivered to. Everything went off without a hitch due to the help and generosity of Knoxville Beverage, the Akima Club, UT students, and friends and family of InterFaith's staff. We would also like to thank B97.5, this year's media sponsor. Thanks to everyone, we met our goal by selling well over 530 cupcakes, the largest amount sold since the fundraiser began.

Cupcake Delivery Volunteers, pictured at Knoxville Beverage Company on February 13, 2015

Delta Dental

We'd like to give thanks to Delta Dental for their Pay It Forward initiative. They donated \$750 to the clinic to help offset the cost of dental care for our patients.

Melissa Knight, Paula Mays, Chip Finn, and Dr. Nathan Chesney of InterFaith are pictured with representatives of Delta Dental

RAM and InterFaith

Remote Area Medical and InterFaith teamed up on January 24th and 25th to host a dental clinic for patients of InterFaith and Volunteer Ministry Center. Volunteers from RAM, Volunteer Ministry Center, and InterFaith Health Clinic provided fillings and extractions free of charge, and InterFaith treated 144 of our own patients. The majority of treatment was in the form of fillings. The estimated cost of this treatment was \$46,000, which was greater than expected. We are extremely grateful for the help of all the volunteers who worked tirelessly over the weekend to care for as many patients as possible. Despite all the work and great number of patients seen the need for ongoing dental care continues to be critical.

The above photos are of the set-up for the RAM clinic at InterFaith

Doc Rock

Once again, Remedy won the battle of the bands at Doc Rock for Health! Because of this, InterFaith will receive 50% of the proceeds from the event. Thank you, Remedy, for your ongoing support of the clinic!

Gifts from November 6th, 2014 through February 28th, 2015
