

SUMMER 2018 NEWS

"I Thank God Every Day for InterFaith Health Clinic"

Diane McCallie (63) has been a patient at InterFaith for over 7 years. She had health insurance for many years until her husband passed away, suddenly leaving her overnight without any coverage. She cleaned houses for a living and owned her own business, but as a small business owner she could not afford the rising costs of health insurance so she decided to do without it, even though she had diabetes.

A good friend told her about InterFaith and as a result she was able to get the medicine she needed at a cost she could afford. "My life is at the mercy of God," she says. "I really do love that staff over there at the clinic. They are so patient with me. They call and remind me when I have an appointment. They do everything they can to help me."

As a result of some greater health issues, Diane is now wheelchair bound and relies on her children to help her get to the clinic when she needs to. "I thank God every day for InterFaith. Those people are a blessing. I try only to go when I need it; but when I need them, they are always there for me."

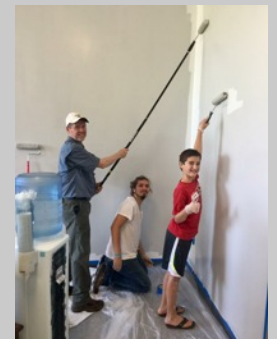

Diane, a former small business owner, found health and hope at InterFaith after she found herself uninsured after the death of her husband

WATE Channel 6 Gives InterFaith a Facelift!

InterFaith wishes to thank the generous staff at **WATE Channel 6** for taking two days to help renovate the clinic during Phase 2 of Project Thrive, our initiative to bring a fresh look to our 27-year-old facility. The WATE team spent a Friday and Saturday painting, landscaping, & cleaning the grounds at InterFaith so that the look and feel of our campus matches the excellent health care our patients receive every day. Thank you, WATE Channel 6!

Kramer Rayson LLP Wins Doctors vs. Lawyers Trivia Night 2018!

InterFaith's first-annual event was an epic battle of wits and brawn, and we congratulate Kramer Rayson LLP as our big winners! And congratulations to the **LAWYERS** for being deemed 'Knoxville's Biggest Brains' this year! Less than 100 points separated the two professions, though, so next year's battle is sure to be just as competitive and fun! The real winners, though, were InterFaith's patients, as we raised \$50,726 (net) from this event!

From our Executive Director

Where is time going! It is already July. It seems like school was just out and before we know it – kids will be back in school. For those of you planning vacations – they too will come and go far too quickly. Time stands still for no one.

I won't ask what items are on your to-do list that keep getting pushed back to another day – because I am afraid you will ask me the same. But I will ask you to consider all of those good intentions. Pick at least one that will really impact someone else's life. Move it to the top of the list. Don't wait to impact someone's else life. Because time stands still for no one.

Melissa H. Knight

Thank You For Your Service!

InterFaith recently said farewell to two very special ladies who had both served our patients faithfully for many years.

Patsy Lisle, pictured left, retired from InterFaith in May, where she had served as clinical supervisor for many years and later special project administrator. Patsy served as InterFaith's "head nurse" since the clinic's infancy, and over the years saw more than 24,000 lives impacted by the love and care that InterFaith provides. We're so grateful for her ministry at InterFaith, her help in building the clinic, and most of all for her friendship. We wish you the best, Patsy!

Ruth Ann Shultz, pictured far right, served as a volunteer nurse at InterFaith for many years. Ruth Ann served as Dr. Harry Ogden's nurse for many years and most recently volunteered with Dr. Angie Liske (also pictured on right). Ruth Ann is known for her faithfulness and support of the clinic and her love for our patients. Thank you, Ruth Ann, for using your gifts to bless the underserved.
