Dear Donor,

***Have you ever been sick or needed surgery? What if you couldn't afford it?*** That's a reality for many people in our community who don't have health insurance. People like Dale Jefferson, a local pizza delivery driver, who found himself without insurance and unable to afford going to see his family doctor due to the high cost of health care. "The people there are just wonderful people," Dale said about InterFaith, "They took me in and took great care of me. I never felt like I was getting anything less than the best care possible."

***Dale still marvels at the help that InterFaith provided to allow him to receive the surgeries he needed and not lose everything in the process.***

Through InterFaith, Dale had both knee and neck surgery that he badly needed, but that would have cost him over **\$100,000** out of pocket without InterFaith. "It's a lot better than going for broke to try to figure out how you are going to pay for everything. I mean, the next thing you know you are losing your house, your family, your kid can't go to college. ***InterFaith has been a big help in my life.***"

*Dale Jefferson had much-needed neck surgery thanks to InterFaith*

Not only has InterFaith given Dale a new lease on life, but we helped provide his son with the opportunity to go to college instead of foregoing that dream to stay home to try to pay for his father's medical bills. His son has gone on to receive an Engineering degree and has landed a great job with health benefits. "**InterFaith is a blessing,**" says Dale, "**They have helped make me who I am. They helped keep my son in college. It's just wonderful to find people that help other people that way.**"

***Would you help us help more people like Dale? We're not a free clinic – all our patients pay something for their healthcare*** – but it costs InterFaith about \$50 to provide an average patient visit. ***In other words, every \$50 raised underwrites one patient visit.*** Would you give the gift of health and hope this holiday season? Your gift is not just a donation to a charity, but it's an investment in the health of our community.

With Passion for the Underserved,

Melissa H. Knight  
Executive Director

*Dale credits InterFaith with allowing his son to earn his college degree rather than staying home to help pay Dale's medical bills*

**InterFaith's Dental Department: Full Steam Ahead!**

In July, InterFaith was fortunate to welcome Dr. Dana Riley to our staff as our full-time dentist. Thanks to support from Delta Dental's Smile180 Foundation and the SMILE ON 60+ program, InterFaith now has a paid dental staff of five people, up from just two paid staff members this time last year. Our dental clinic's capacity has more than doubled, as we've gone from serving 23 to an average of 48 patients each week!

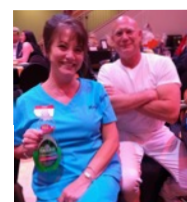

Another source of momentum behind InterFaith's dental clinic is the Buck and Linda Vaughn Endowment. Launched in December 2018 with the intent to provide reliable future support to InterFaith's dental program, we've already secured over \$1 million and are pushing ahead to our \$2 million goal. Raising \$2 million would ensure consistent staffing of InterFaith's dental department, guaranteeing continuity of care for our patients and would allow for an additional 1,000 visits a year. In 5 years, that equates to 5,000 visits; in 10 years, 10,000 visits. The impact continues to grow! A gift of any size is significant. Mail a check to InterFaith Health Clinic with "endowment" in the memo line, or make a secure gift online at [www.interfaithhealthclinic.org](http://www.interfaithhealthclinic.org) (on homepage, scroll down & click on Buck & Linda Vaughn Endowment)

**TEAM NAME Wins Trick-or-Trivia Night 2019!**

InterFaith's 7th-annual trivia event was an epic battle of wits and brawn, and we congratulate Young Professionals of Knoxville as our big winners! The real winners, though, were InterFaith's patients, as we raised close to \$50,000 (net) from this event! For more

**Again this year, InterFaith is offering the opportunity to making a lasting gift this holiday season by sending festive holiday cards to your friends and loved ones**

## Holiday Cards

*InterFaith's 2019 holiday card (an alternate version that states "holiday season" is available upon request)*

The holidays are a time for us to remember friends, colleagues, and loved ones and to share the blessings of the holiday season. We invite you to share our message of health and hope by sending holiday greeting cards to those on your gift list this year, with all the proceeds underwriting direct patient care for the underserved in our community.

Those you honor will receive an attractive, hand-addressed holiday card from InterFaith acknowledging that a gift has been made in the recipient's name. *All gifts are tax-deductible, and a minimum gift of \$10 per honoree is suggested.*

**To participate in our holiday card program this year, please fill out the form below and mail or email it to the clinic along with your donation. Alternatively, you may submit your mailing list and make your donation online at [www.interfaithhealthclinic.org/holiday-card](http://www.interfaithhealthclinic.org/holiday-card). If you have questions, please contact Trudy at [tbledsoe@interfaithhealthclinic.org](mailto:tbledsoe@interfaithhealthclinic.org) or 865-243-3038.**
