

15th Annual

Sweets to the *Sweet*

Wednesday, February 14, 2024

Nothing says “Happy Valentine’s Day” like a delicious treat. The treat tastes even sweeter when it helps working, uninsured or underserved individuals in our community gain access to comprehensive, affordable healthcare.

For a \$50 donation, a bundtlet from Nothing Bundt Cakes, accompanied with a handwritten Valentine’s Day card, will be hand delivered to the recipient of your choice in Knox County. Each card will notify the recipient that the sender has helped fund one patient visit in their honor

For a \$30 donation, a volunteer will deliver a bundtlet to a resident at a neighboring senior-living facility.
